

My DVD will help the following people achieve their goals.
If you see your Skill or trade on this sheet, **this DVD is for you.**

Basics of Sales DVD is great for:

People who are currently in sales.
People who want to get into selling (Real estate – shop keepers, retail – phone sales)
Retired people who now want to get into selling.
Sales people who think that further sales help would benefit them.
Home Improvement contractors that go to a home.
General contractors, Roofers, Driveway contractors, Cement (walkways, stoops)
Siding salespeople, electrical contractors, plumbing contractors,
window replacement salespeople, carpenters, exterminators,
home painters (interior/exterior), People working from home, Financial advisors,
Real estate salespeople, Furniture salespeople, Vacuum cleaner salespeople,
Car salespeople, Shoe salespeople, Door to door salespeople (food- books, etc.)
Reverse mortgage salespeople, Insurance salespeople,
Women who own businesses, Art salespeople, Wireless phone salespeople
Phone salespeople in general, Sports sales equipment, Haberdashers,
Individual straight out of high school, Individuals selling in electronic field,
Home theaters, Remodeling, Magazine, newspapers, classified ads, radio spots, tv spots.
Foreigners looking to better themselves through sales,
salespeople selling business machines,
Foreign people on the internet who want to sell in the U.S. - India, Japan, etc.

Owners of retail and commercial businesses who have a need for trained salespeople,
but don't have the time or expertise to train a sales force.
